Call for applications for study periods abroad – Second call Erasmus+ international student mobility Academic Year 2026/27

Following the selection process of candidates for the 2026/27 Single Call, the remaining vacant destinations and additional new ones that have been created following the signing of new agreements are made available.

Interested students can apply to this second call, for which the same provisions and procedures indicated in the Single Call 2026/27 published on the notice board on 16 January 2026 remain valid. Instead, the new deadlines and time windows for application, selection and development of the mobility period are defined here.

Those who have already been awarded an Erasmus Study or Double Diploma mobility period for the academic year 2026/27 cannot apply for the second call, unless they have already renounced this period.

The second call allows the mobility period to be carried out only in the second semester of the 2026/27 academic year (period to be completed by 30 September 2027).

Pursuant to this call, mobility is not allowed within the Double Degree paths.
